### Meet the Professor Lunch at Vascular Biology 2009

Don't miss out on this great opportunity. NAVBO is pleased to present this opportunity for trainees to connect with established investigators. At this lunch (Saturday, April 18 at 12:30pm) you can share the table with one of the

### Vascular Matrix Biology and Bioengineering Workshop

Today, January 12, is the abstract submission deadline - [Submit an abstract](#).

For all meeting details visit the web site:

[www.navbo.org/event/vmbb2009](http://www.navbo.org/event/vmbb2009)

for all the details - including an updated program. [Register](#) for the meeting.

Join the Vascular Matrix Biology and Bioengineering Group - If you have registered for the meeting, attended in 2007 or are interested in this topic but are unable to attend this year, join the group on the web site.

### [www.navbo.org](http://www.navbo.org) Website FAQs

#### How do I log in?

If you have not yet logged in - to log in or sign in, your username is your email address and your password is your member ID.

#### How do I renew my membership?

Log in first. If your membership has expired or is near its expiration, you will see a link to securely renew your membership.

#### How can I join a group?

You must be logged in. Select groups from the menu, click on the group category (for example: Workshops), click on the group title and then click on Join Group in the header.

#### How can I subscribe to a journal?

From the main menu, click on 'Online Store' - be sure you are logged in to get the member price.

#### How do I access the Members Only section?

There is no longer a members only section - the site recognizes you as a member and gives you access to the entire web site. Nonmembers will not have access to the Online Directory, the VBPA, etc.

Click on 'Resources' from the main menu for many of the items formerly in the Members Only section

#### How do I change my personal profile or contact information?

Once you are logged in, you will see the "My Profile" box on the right - in that box you will see "Edit Profile." You can also check your membership status under Member Information.

#### Can I tell who is also on the site while I'm on?

Yes, click on the Member Directory in the Main Menu - you will see the "Who's online now?" icon - click the icon and start online chats.

following: Dean Y. Li, Mark W. Majesky, Jordan S. Pober or Christiana Ruhrberg. Registration is only \$15 - don't miss this event! [Click here](#)

workshop series. September 13-16, 2009 - Cape Cod, Massachusetts.
